

A NOTE FROM JOANNA

Welcome to St. Barths!

Jennifer and Philip, you are going to have the best time!

I can't think of anywhere more fun to celebrate a momentous birthday, and hopefully the first of many trips back!

Fouquet's is one of my favorites, especially for your first stay. The hillside setting, the views, the in-town location, such a good home base! A hotel rep will meet you at SBH on arrival, and from there, all you have to do is enjoy it.

The week is all lined up: beach club lunches at La Guérite, Nao, and Gypsea, dinners at the hot spots (including Bagatelle's iconic White Party), and a full day on the water on your private Axopar. And we have your Moke lined up and ready to go as well!

Your reservations and boat day are confirmed and ready to go. The concierge there is lovely and will help you with any additional planning or questions you might have.

And of course, if anything comes up while you're away, I'm always just a text or email away. Bonus points if you want to send me a bunch of pictures and make me incredibly jealous.

Wishing you the most wonderful trip!

Warmly,

Joanna
