A Slow Day in Oia

Your last full day · spent exactly the way it should be

MORNING

OIA

An open Sunday at Andronis Arcadia

No scheduled activities. Breakfast on the suite terrace, a long swim, time at the Evexia Spa — the day is yours to do nothing in particular.

MIDDAY

OIA

Lunch on your own

Plenty of options walking distance from the property — Lotza for the caldera view, Sunset Taverna at Ammoudi Bay if you'd like the seafood-and-stairs ritual. Concierge can book on the spot.

SUNSET

OIA

Sunset stroll through Oia

The famous sunset stroll. Walk the caldera edge from the Castro out toward the windmill — get there 60 minutes before sunset to claim a viewing spot, or watch from your suite terrace if the village feels too busy.

EVENING

OIA

Last dinner of the trip

Dinner is open. Beefbar Santorini is on-property; for one last cliff-edge meal, Lauda or Ambrosia in Oia are easy walks. Concierge will lock anything in.
